Dance Wednesday

Vol. XXV, No. 13

October 25, 1937

Monday

## RADIO PROGRAM PLANNED HERE

Broadcasting Arrangements  
Made By Student  
Committee

By KEN JOHNSON

Mr. Stater takes the air! Crooners, musicians, lecturers and et al from San Francisco State will have their chance of becoming travelers on the airway path if the plans of Cliff Worth come true.

### STATE RADIO TALENT

Under the hands of Bille Hammond, Francis Bolander, Evelyn Stadelman and George Peters tentative plans are under way to bring the cream of student and faculty radio talent in front of State's own microphone. Student concert hours, symphonies and recitals by the Music Department will furnish the background for training school programs. Faculty lectures on current and future educational procedures will be offered as well as informal chats among the administrators. A temporary system will be set up to send out the play-by-play reports of the varsity basketball games and the music of State's Pep Band.

### BROADCAST PLANS

The committee, under Worth's guidance, is probing for a source of sponsorship to carry the brunt of the broadcasts and the most appropriate time for the broadcasts. The cost, which will be approximately ten dollars, is station KGGC's tendered offer for a half hour period. As stated by Worth the temporary plans will include:

"A half hour program of some phase of academic work which will be offered with a musical background. There will be informal talks by the different departments and we might be able to broadcast some of our athletic rallies. This is State's first chance to have its own radio program."

## Seniors To Hold "Snuffy Shuffle"

Tentative plans for a "Snuffy Shuffle" dance to be held in the gym on November 13, were made by the Low Senior Class at a meeting held Thursday night in the activities room.

The dance, awaiting sanction by the Executive Board, will be a unique costume affair. Famous comic characters Billy DeBeck and their hinterlands, the hills of old Kentucky will survey as the theme and background of the dance.

Original decorations have been promised by Wallace McDonald, chairman of decorations committee, with plans in a formulative stage, two outstanding features are under consideration. A stag corral may be placed in the middle of the dance floor and Snuffy Smith's barn will be reproduced. Along with the reproduction will be some of Snuffy Smith's brew from the famous jug.

"If we get permission to stage this dance," declared Bud Decker, president of the class, "and I don't doubt but that we will, we promise an event that will outshine the famous Trampodion Ball."

## HEADS GET TOGETHER

Reading from left to right: Fran Twohig, Bud Decker, and Audrey Stewart get together for final plans for J. C. Excursion trip.

## TICKET SALE FOR SACRAMENTO EXCURSION ENDS THIS FRIDAY

Friday, October 29, will be closing date for sale of excursion tickets to Sacramento on November 5 for State's football game with Sacramento Junior College.

The San Francisco Chronicle Contest, which offers a free ticket for each six months Chronicle subscription contract, will close on the same date. Subscription blanks may be obtained at the special ticket booth in College Hall and may be

submitted at the booth, to Harold Martin, publicity director of San Francisco State, or to Bud Decker, general chairman in charge of the excursion trip.

## Rally Talent Parade Winners Announced

Howard Brubeck, Evelyn Fitzpatrick, and Jack Fisher were voted winners of Thursday's Talent Parade by the contestant judges, Mr. Harden, Mr. Ray, and Miss Fisher. Brubeck offered a piano solo, "I'm Getting Sentimental Over You," Miss Fitzpatrick presented a novelty toe tap, and Fisher gave an arrangement of "Tiger Rag" on his accordian. Helen Newell, one of the two remaining contestants, sang "I Got That Old Feeling," and Frances Twohig presented a dance number.

A large and appreciative audience attended the rally. The warm reception of the presentations gave proof of the popularity of the Talent Parade. An idea of the audience's reception was obtained through the inimitable Mimi. She expressed a general feeling of success concerning the entire series of rallies terminating with the gala finale. She enjoyed the dramatic expression that Helen Newell put in her song, and appeared greatly captivated by Frances' red and silver dance costume.

The three winners were each presented with a silver cup trophy kindly presented by Jenkel Jewelers of 150 Post Street through the co-operation of the jewelers' manager, Mr. Sampson.

A succeeding series of Talent Rallies, climaxed by a final Talent Parade, will commence Friday noon, October 29. Three more trophies will be presented by Jenkel Jewelers to the winning contestants of the next Talent Parade. Hal Delma, general manager of the rally talent parades, urges all students interested in taking part in the ensuing contest to get in touch with him through Box 770.

The committee assisting Decker includes Hal Delma, Vernon Rees, Vern Oulette, Audrey Stewart, and Frances Twohig. They report that plans have been made for an entertaining train trip.

### ASSIST HEAD

Each excursion ticket is sold for \$2.50 which includes transportation, one meal ticket, entrance to the game, and dancing to and from Sacramento. Two stripped assembly cars are being provided by Mr. Colthurst of the Southern Pacific Railway Company, San Francisco State's band will sponsor music for dancing on the train trip to and from Sacramento. The train will stop in Oakland and Richmond on the return trip.

### RAILWAYS AID

Further plans to accommodate students have been made with the Market, Municipal, and Oakland street cars. Market cars numbered 1, 5, 9, 31 will transport students from the ferry boat on the return trip.

A varied program, including a joint rally and a dance in the Sacramento Junior College gymnasium, honoring State students, has been arranged.

## Valentine, Cave Speak

Dean P. Valentine and Dr. Roy Cave have been speaking regularly to the San Mateo District Parent Teachers Association for the past few weeks. The speeches, which concern Consumers Education problems, have been given in connection with the Consumers Education foundation in San Francisco.

# GATERS HOLD FIGHTING BEAR TEAM TO 0-0 TIE; STATE OFFENSIVE WEAK

## Teamplay Marred By Too Much Growling, Hollering In Huddles

State In Position To Score Twice But Fails; Purple and Gold Rooters Back Team At Santa Rosa

By FRANK SCHWASS

The San Francisco State football team won another "moral" victory last Friday night over the Bear Cubs of Santa Rosa Junior College in the Northern city. When the timekeeper fired his pseudo-lethal weapon into the cold air of Bailey field, the reverberations signaled the end of this sportswriters patience insofar as waiting for a Gater victory on a football field is concerned. However, because a football game must be reported to a student body which awaits the outcome with bated breath (sic), it is only fitting and proper that such obituaries be given proper recognizance here by your commentator who covered the game.

The first half of this alleged game showed a ragged offense and defense for both the Gaters and the Red and Blue. The pass defense of the State eleven was putrid at first but tightened up toward the semi-final gun. Herb Pederson and Bill Harkness shone in their respective departments, the former for his bullet passes and the latter for his punts from dangerous territory. "Bat" Battaglia, diminutive Jaycee safety, also distinguished himself in this canto with a thirty-three yard run through the State team and was brought down by Runar Stone when only scant yards from the Gater final stripe.

The second half merely solidified the apparent fact in the minds of Gater rooters that they were witnessing a lackadaisical contest, the outcome of which, was a matter of small moment to them. Only one really spectacular play was noted during the secondary spasm of this outbreak of football epilepsy, and that was Bob Kelnhofer's miracle interception of a Bear Cub pass.

## STATE DEBATERS MEET S.F.J.C. TUES.;

### U. S. NEUTRALITY POLICY DEBATED

## A. P. G. CONVENE DRAWS OVER 100

Approximately one hundred student journalists from colleges and universities in the west will be entertained by Alpha Gamma Chapter of Alpha Phi Gamma, the National Honorary Journalism Fraternity, when the fraternity meets for its ninth annual Western Section Convention in San Francisco, on November 26, 27, and 28.

Max Williamson, convention chairman, states the program as follows:

### PROGRAM MADE

Friday afternoon, Nov. 26, registration of delegates and tea to be held at the home of Nola Keller. Friday evening, banquet.

Saturday morning, Nov. 27, breakfast followed by a business meeting and luncheon. Saturday afternoon, writers contest and initiation of new members. Saturday evening, dinner dance.

Sunday, Nov. 28, breakfast and dismissal.

### JUDGES CHOSEN

Will Smith, student body president and fraternity member, has promised several judges for the writers contest. All convention members interested may enter this contest which will consist of the writing of a news story, feature story, and an editorial. These will be judged on various points, and prizes, furnished by the fraternity National Council, will be given the winners.

The fraternity alumni plan to issue a daily paper during the convention containing reports and comments on the activities and announcements.

Plans have been made for the housing of the delegates at the Stewart Hotel.

State Defends Affirmative Side; College Negative Team Debates Thursday

Being revived after a year of inactivity, the State varsity debating team will meet San Francisco Junior College team tomorrow afternoon at 2:30 at Galileo High School. State will defend the affirmative side of the question, which will be, "Resolved: That the United States should maintain a strict neutrality policy." Bill Rose, Delta Sigma president, and Bob Sigerson will take the rostrum for State.

Thursday, October 28, the Jaycee team will meet the State team of Patricio Meghino and Marianne Nelson in a return debate, the teams taking the opposite side of the same question as in the match at Galileo. The debate will start at 3:30 p.m. in the Activities Room.

A full schedule is being prepared for the team by Bob Links, debate manager, and includes a trip through Southern California. The

(Continued on page 4)

## Committee Choses Jr. Prom Program

Modernistic programs were chosen by the committee in charge of the Junior Prom at the meeting October 21. Final plans were formulated for the dance to be held Big Game night, November 20 at the Fairmont Hotel Terrace Plunge. Jack Buckingham's orchestra, formerly with the Club Deauville will play.

Bids will be on sale November 1. Price of the bids will be \$1.50 until November 14. After November 14 until the day of the Prom the price will be \$1.75. \$2.50 will be the admission at the door.

Sponsors of the Prom are Dr. and Mrs. Treutlein, Dr. and Mrs. Homan, Mr. and Mrs. Cassidy, Mr. and Mrs. Farmer, Mr. and Mrs. Harden.

## Deadline For Seniors In Yearbook Extended

Extension of the Senior Picture deadline until November 6 was announced by the editors of the 1938 Franciscan today. Appointments are being made by Fisher Studios up to and including the November 6 date.

This will be the last chance for Seniors to have their pictures taken for inclusion in the Senior section of the Annual. "Due to engravers deadlines, we must complete the taking of senior pictures by the first week in November. All high seniors and low seniors who expect to graduate in either May or July are urged to have their photos taken for the book, if they have not done so," declared Bill Buchan, editor of the annual. "We have taken nearly 190 senior pictures out of the prospective 320 seniors. We would like to have more than that."

Appointments can be made for Saturday mornings with Mr. J. H. Doherty of Fisher Studios. Cost of the senior picture is 50 cents.

## EDITORIALS

Editorials and feature articles in the Golden Gater reflect only the writer's opinion. They make no claim to represent student or administration opinion. All unsigned editorials are by the Editor.

## Be Dumb, Fellow!

There is a saying among golf professionals that while it is not true that only the dumb can play golf well, being dumb is a big help. The evidence that one finds on the campus of some of our educational institutions seems to justify making the same statement and to draw the conclusion that being dumb is a big help to getting along in higher education.

There are instructors in these institutions who find it hard to believe that some students do think. The very fact that the students have learned to think means that they cannot possibly agree completely with the people who are supposed to be their teachers.

Certain tutors cannot understand this. It shocks them no end when they hear that the scholar does not necessarily arrive at the instructors conclusion. It just doesn't seem right! And since it is the very essence of ignorance to be unable to realize the scope of one's own ignorance, they assume that the student is wrong.

And so our ambitions are stifled beneath caustic remarks about our mentality and we are handed at the end of our college career a piece of tanned hide of some poor quadruped, inscribed with words that few of us can decipher and we are considered educated.

So be dumb, student. Become the human discophone you are supposed to be. Disguise it behind anything that appeases your pride or ego. But for goodness sakes, don't let anyone catch you thinking!

Signed: KENNETH JOHNSON

## Sacramento Trip Friday

Ten more days and we're off to Sacramento! This trip is going to be the largest travel-fest the college has ever had, and from the looks of arranger Decker's program, it will be a rare time.

Only two-fifty, and away you go to Sacramento with not a care in the world but to see the team win!

The quota of the merry two hundred is almost reached, and by tomorrow or the next day reservations will be at a premium. If you have any intention of going, stop by today and take an option on a seat, because last minute tickets will be very hard to get.

And by the way:

"GO WITH THE GATERS"  
and  
"BEAT SACRAMENTO"

## Hot Showers For Teams?

For almost three months, every afternoon about thirty fellows give three and four hours of their time to practice for the football team.

In the course of these practice sessions, the fellows get very hot and very dirty. Showers are essential for them. For some reason they have been denied the courtesy of a hot shower, and that causes Harry McDevitt to say:

"Coming in from practice, hot, tired and dirty, stripping off sweat-soaked equipment, and then walking in to a COLD shower is enough to make any ball player feel mighty disgusted.

"With all the heating facilities around the campus, a hot shower seems a small thing to ask for. Incidentally, a cold shower right after rigorous physical activity is very detrimental to health. An overheated or swollen muscle immediately ties into a knot, better known as a charleyhorse, when struck with cold water. So if you 'Saturday night quarterbacks' really want something to holler about, come down to the locker room and shower off with some of the boys after practice."

What McDevitt has to say is true. And it does seem the height of injustice to expect a team to work hard at practice and then let them down with a cold shower. Let's see somebody do something about it!

## High and Low Notes

By MILT BRONSTEIN

A Cappella Choir will give its first formal program of this semester on Sunday, October 31, at First Congregational Church, Post and Mason Streets. Mr. Freeburg is working very diligently with the choir in shaping it for this occasion. Remember, next Sunday, at 3 o'clock in the afternoon.

# # #

That local boy who made good, Paul Whiteman, played at Sweet's Ballroom in Oakland last night. Whiteman is playing for the coming S. F. Auto Show for the whole week, receiving \$17,000 for the engagement. Whiteman is bringing all of his famous men with him, including the Teagardens, Chester Hazlett, Frankie Trumbauer, and a large orchestra, making 30 pieces in all.

Last Wednesday night the S. F. State Band, under the directorship of Karl Ernst with Norman Zech as drum major, performed at the Pageant of the Nations at the Civic Auditorium, the affair being sponsored by the American Legion. Theo. H. Theurer of S. F. State College, Past Commander of the American Legion Post No. 408, sponsored State College in the affair. Starring Audrey Stewart's ultra fancy tumbling, the band made a sensational showing. Norman Zech's twirling of the baton made the spectators sit up and take notice. The band is doing some wonderful advertising for the college in these appearances.

Smiles—Have you heard the hair-raising dramas on the radio, sponsored by a well known hair tonic manufacturer? KPO, 1:30 a.m., Sundays—Margaret Batdorf was seen smoking a cigarette the other day right out in the open! I don't know where modern youth is heading—Ask Bill Garzoli and Bill Preston whether or not they had a good time on their trip to L. A. for the St. Mary's-Loyola game; both Bills were very drowsy all last Monday as a result of their trip. Les Weigle is still moaning because he had to work that Saturday night and couldn't make the trip.

# # #

Underservingly, music majors long have had the reputation of shirking their duties on the athletic field. Here are a few facts to break this illusion (for the benefit of the rest of the college): Bill Preston, J. V. Football; Doug Cray, baseball and track; Sid Fisher, football and baseball; Lou Morrison, star hurdler; Jack Martin, baseball; Bob Cochran, track; Joe Rosen, tennis; George Stuart, Intercollegiate wrestling champion; Socrates Pantagos, football, and track; Leo Dukhorn, basketball; Bill Garzoli, crew member of the four-oar shell that beat the University of Washington; Norman Zech, baseball; Dr. Knuth, football and baseball; Gaetano Stella, chess and champion matador (he certainly throws the bull!)

# # #

Howard Brubeck took first place in the finals of the talent rally last Thursday with a piano solo. The Music Federation Talent scores again. Congratulations, Howard!

Epsilon Mu is holding a Halloween Party tentatively the Saturday night before Halloween. An ice skating party in about two weeks is scheduled. Anybody interested in membership in the up-and-coming society please see Jack W. Martins, or leave a note in Post Box No. 7. Membership is open to anyone in the college.

(Continued on page 4)

## ... from this side ...

CHAMBERLIN DOWN FOR COUNT

O'HARA TELLS ALL

WHERE'S THE DOUGH?

DRINKING SONG

By TIM GUINEY

Weekly Nauseating Spectacle: Chamberlin, at the Freshman Hop, blackening his dancing partner's white shoes, stumbling and falling on the floor and dragging her down with him, then not having the common decency to help her up, but instead lying there grovelling, while she was assisted to her feet by helpful dancers who had stopped to watch the little circus.

Ugh ...

Alverius O'Hara, the candid conversationalist, speaking and helping us to fill the column:

"The stuff you write is beginning to get as senile as O. O. McIntyre's ... Why don't you start giving recipe to the readers about how to make prune salad flaked with soap chips and crusted with the light tang of burnt toast? ... It would be in keeping with the rest of the column ...

"Look for a shake-up in the college athletic department at the end of the year ... The Farmer speech at last Thursday's rally was a classic of what shouldn't have been said at any collegiate gathering ... Our athletic mentors seem to be well versed in the subtle technique of opening their mouth and putting their foot into it ...

"Where did Thorpe discover sports writer Edelstein? ... His little column of comments on the world of sports was easily the out-

standing feature of last Thursday's Golden Gater ... Although he's all wrong on San Jose State upsetting the Bronco's ... I hope you'll keep him writing for the sheet ...

"In case you didn't know it, Saint Mary's College and San Francisco State have mutually agreed to recognize each other's student body cards in the athletic events ... Which is an excellent move for all concerned ... You might say 'Thanks 'to Tom Twomey, Assistant Recorder at Saint Mary's, for his work in our behalf ...

"Why don't you ease up on this Chamberlin stuff? ... Bob isn't half as bad a guy as you've painted him up to be ... He's just a product of his environment, and you know what the environment of a gossip columnist is ...

"You might get buy and publish a financial report on the progress of the student body money ... After all, the students are entitled to know where their dough is, and what it's being used for ... You might also explain to them that 27 cents out of every four-bit piece that came in on this semester's Student Union fund is being used by the Athletic Department to pay for the lighting at Roberts Field ... Please ask the Executive Board why information such as this was not passed directly on to the newspaper. "I felt sorry for the Japanese

Consul and sorry for myself when I heard him trying to condemn China in his recent talk before the Open Road Club ... Sorry for him because his defense of Japan was so pathetic, a sorry for myself because I missed a perfectly good noon dance to listen to that speech ...

"Write Bill Smith up more often ... I understand he's the balance-wheel of the Ex-Council, as well as a progressive and straight-forward student president ... He is an excellent representative of San Francisco State in any field ...

... and we finally stop typing and look over our shoulder to question Alverius, but the Pub Office window is open, the fog is thick, Alverius O'Hara has vanished once again ...

Curious people who have been hearing about the new San Francisco State College song have asked us to publish the words in this column. We don't know who wrote them, although we hear the Executive Council had a hand in it. It's sung to the tune of the Notre Dame Victory March, and goes thusly: Let's give a cheer for old S. F. State, We never hurry, we're always late, Send a Freshman out for gin, Don't let a sober person in. We never stagger, we never fall, We sober up on wood alcohol, Loyal Staterites are we, So on to the Brewery.

## EXECUTIVE BOARD MINUTES

October 18, 1937  
The seventh regular meeting of the Executive Board was called to order at 7:35 p.m. Roll was called and Miss Wilson was noted absent. The minutes of the previous meeting were approved as read.

## COMMUNICATIONS

Interdepartmental Committee, Dean Ward announcing death of Mrs. Anne Crossland.

## COMMITTEES

The "Soph Strut" as reported by Mr. Carrouthers is running smoothly.

Mr. Delma announced the "Talent Parade" Rally all ready except for the matter of prizes which were to be donated.

Mr. Decker, reporting on the Sacramento Excursion, stated that he is still waiting for Sacramento J. C.'s reply to his letter. The tickets sales are expected to go into full swing shortly.

There being no official reply from Mr. Laugesen, as to which office he has relinquished, the matter was deferred until next meeting.

Mr. Worth reported, as a result of his investigations, that facilities and equipment, for the proposed broadcast are available, and that Dr. Knuth is in favor of considering such an undertaking. Also, Station K.G.C.C. has offered its services at ten dollars (\$10.00) for each half hour program.

The committee appointed to investigate the "Spur and Sabre" Club constitution, reported that they were not in favor of passing the constitution as it now stands, since it might possibly foster undesirable policies in regard to R.O.T.C.

Mr. Rees read the motion of last year which awarded Mr. Stachelokoff an award for four years football service and suggested that action be taken immediately.

Mr. Rees also gave an itemized report of "Junior Prom" expenses, the total amounting to three hundred and fifty-three dollars (\$353.00).

The Frosh Dance was reported a success in spite of a minor deficit of (\$8.10) eight dollars and ten cents.

Mr. Hopkins stated that the Executive Board will receive its pins next meeting.

The Epsilon Mu budget was re-

ported by Mr. Rees, cut from \$29.56 to \$18.68. The constitution which was submitted, will have to be acted upon favorably before the financial side of the matter can be considered. The Executive Board party was reported successful.

## OLD BUSINESS

A motion was made and seconded that Mr. Delma be allotted five dollars (\$5.00) for "Rally Talent Parade" prizes if they cannot be obtained through donations and also that he appoint his own committee for investigations. Motion passed.

A motion was made that Mr. Worth be appointed to investigate possibilities of obtaining a sponsor for the proposed broadcasts. It was amended that a committee be appointed to assist Mr. Worth. Motion and amendment were seconded and passed.

Mr. Hammond, Miss Bolander, Miss Stadelman and Mr. Peters were appointed to assist the chairman, Mr. Worth.

A motion was made and seconded that we accept the report of the Committee on the "Spur and Sabre Club" as unfavorable. Motion passed.

Mr. Munson and Mr. Carcot representing the "Spur and Sabre Club" interest reported their intention of submitting a new constitution.

A motion was made and seconded that a committee be appointed to buy Mr. Stachelokoff's award. Motion passed.

Mr. Rees was asked to appoint the committee.

President Smith pointed out that the income possibilities of the "Junior Prom" justified the expenses.

After further discussion, a motion was made and seconded that the board give the "Junior Prom" its full backing. Motion passed.

Miss Rowan, Miss White and Mr. Laugesen were asked to report on the Epsilon Mu Constitution next meeting, as accepted or rejected.

A committee composed of Mr. Mirande, Mr. Hopkins, and Mr. Worth, and Mr. Delma were appointed to check Mr. Martin's inventory report as submitted.

## NEW BUSINESS

Mr. Worth urged that a reliable

person be put in charge of the Public Address System.

Several suggestions were made to construct a permanent shelf of some sort for the instrument with specific operating instructions posted. The matter is unsettled as yet.

The parking problem will be deferred until action is taken by the Police Department.

A committee composed of Mr. Zech, Mr. Carrouthers, Mr. Decker and Mr. Hammond were appointed to investigate and attempt a possible revision of the Muldoon Plan for mid-terms schedules in accordance with the objections submitted by the Interdepartmental Committee.

The noon dance on Wednesday, October 20, will be sponsored by the High Juniors instead of the Board of Publications.

Mr. Delma announced the colored students desire to sponsor a noon dance. Their representative, Mr. Booker will be asked to make arrangements with Miss Frances Towhig.

Mr. Delma asked if the band would play at the "Talent Parade Rally". Mr. Zech will inquire into the matter.

There being no further business, the meeting was adjourned at 8:45 p.m.

Respectfully submitted,  
EDITH WHITE,  
Secretary.

## GOLDEN GATER

Published twice weekly during the school year by the Associated Students of S. F. State College, 124 Buchanan Street, San Francisco. Entered as second class matter at the Post Office at San Francisco under the act of March 3, 1879.

## HARKNESS, KELNHOFER STAR; STATE STAVES OFF AERIAL ATTACK

### Down In Front

By ED. SMITH

#### GUTLESS WONDER ...

The person who wrote such a scathing letter in last Thursday's Sports called a bunch of good guys a bunch of gutless wonders. Said person signed the letter "An Ardent State Supporter". Comes to me that this said person is the gutless wonder he is talking about, or else he would have signed his name. These fellows who give up their time to go out and play for the fun of playing football, for further publicizing the name of the school, for greater athletics at State are called gutless wonders. Anyone knows that a heel can shoot off his mouth about something he pretends to know, and the louder he shouts the less he knows for when a heel shouts he is only trying to cover up his own ignorance. I could go further, but this is a school paper, and descriptive words of the nature I would like to use are not allowed. So to you, gutless wonder, keep your clapper shut and things will go all right for you.

#### HARDWOODS HUSTLE ...

Although summer has come and went, the casaba will be in season when the hoop squad will soon be pounding the floor for the glory of the Gaters. Several of the boys, under the leadership of Joe Sans, have been at it all ready, and from the looks of things the hoop is going to be hit plenty this season.

#### COAST CONFERENCE ...

The Pacific Coast Conference is all in a dither since the highly touted U. C. L. A. gridders took their fall from the Stanford Indians. But the fly in Cal's ointment is U. S. C. (this being written Friday), and if U. S. C. can't do the trick, then there is no team on the coast that can do the trick. Santa Clara had better put glue on the hands of their backfield men from the way the porker squirts out of their hands. Also Santa Clara had better be in fine fettle for their contest with San Jose State, for Dud DeGroot's boys can really ramble this year.

### If Midget Auto Races Became a State Sport ...

By CHARLES MAURER

Here's an idea. With a definite purpose in mind, of course. We have every sport here at State from boxing to baseball to swimming to basketball to ping pong to football to ... enumerable. They all teach us something. But, which one teaches anything about women driving?

We could build a maze of overhead lanes and subways for our midget autos. These traffic lanes, reaching from College Hall to Anderson Hall and around, would be divided into car and truck lanes. Some students carry enough weight to demand trucks—midget trucks. Our campus would take on the appearance of a city of the future. Circling, dipping lanes—circling around the palm tree and flag pole. Through these covered bridge lanes we would drive into our classes and park it. Classes would be not unlike, in fact, similar, to Hollywood's parking lot theatres where you park and watch a show through your windshield. For instance, I could park in Arnesen's class, honk my horn to answer roll and then settle back to watch the whole show that Dr. Arnesen puts on right through my windshield. Also, midget jilopes would develop a mechanical complex in us. Kids could work their way through school fixing flats. No expense for licenses. To develop an artistic complex each license would display a self-composed jingle, such as:

This car from S. F. State  
It keeps me from being late  
I got a class at eight.  
Poetic license.

We could no doubt persuade the Eastern Pacific to run some tracks across the campus to teach women to stop at R. R. crossings. So, this chat proves one thing. We will NOT have midget autos—or races—at S. F. State.

### Rover Boys Lead Murals

Scoring twice in the second half, the Rover Boys managed to pull through to a crashing 14-0 win over the Purple Shirts last Thursday morning. The other game, slated between the Has-Beens and the Ramblers was not played, because the teams failed to appear.

The Campus Characters meet Fischer's Men in the feature today. The Characters are the former Canvas Kissers and this will be their first appearance in intramural competition. Tomorrow Farmer's Gnomes tackle the Bone Crushers. Managers must have their teams on the field and ready for action by 12:10. There have been too many teams failing to show up. Two such instances eliminate such a squad from competition. Every manager has received and will continue to receive a notice the day before his team is to play.

### BEAT CAL POLY

### Varsity Hoopsters To Get Credits

Varsity basketball practice under the tutelage of mentor "Dapper Dan" Farmer is to begin in the State gym on the day following the last grid clash. The date will be Friday, November 12, and the varsity team will be classified as P. E. 72, the players receiving one unit of credit for their services. Jayvee practice will begin the same day under the coaching of Coach George "Slip" Miranda at the Salvation Army courts.

At present the casaba tossers are taking a workout on Tuesdays and Thursdays from four till six on the Salvation Army courts. As Coach Farmer is still busy working with the backfield of the Gater gridders, the team is playing without the benefit of a coach and plays. Farmer has had no time as yet to look over the prospects for the team, which, due to the loss of most of last season's players, will be composed chiefly of new faces.

Last Thursday these "new faces of 1937", along with Billy Hammond, Ken Johnson, Al Luntz, and a few other veterans, defeated the Hayes Valley team at Aptos Jr. Hi in a practice tilt on their court. It was the first scrimmage of the season for the basketball team.

According to Coach Miranda of the Jayvees and the Flying "A's", the same jayvee team as last year will be prepared to take the floor this season. Among the returning veterans will be Ronnie English, Bud Chandler, Frankie Collins, "Jerk" Smith, Hal Thompson, Red Thomson, Joe Lee, and Bill Rowlands.

### Boxing Team Rounds Into Good Shape

Under the fine hand of Coach Dan Farmer and his two able assistants, Maurie Schwarz and George Paiva, State's first boxing team is rounding into form.

In the weekly practice sessions the future "hook and jabbers" of State are showing the talent that should carry them to the top of collegiate boxing. The team of twenty-six men represent every class from flyweight to heavyweight, with a few odd weights thrown in for good measure.

Among the middle weights, Johnny Pichotto will be remembered from his showing in the Block "S" Boxing Show of last year. Pichotto, weighing in at one sixty, is a boy with a mean left and a rugged resistance to counter punching. At one hundred and seventy-one pounds and leading the candidates at the present, is Maury Schwarz, State's old reliable. Schwarz, former Golden Glover and amateur winner, will also be remembered for his knock-down drag out battles in the Block "S" Boxing Shows.

Another middle weight who has shown exceptional ability in the game of give and take is Bud Werner, former gridster. Werner, a middle weight, packs one hundred and sixty-five pounds and is rated as a hard hitter. Carl Yaeger, manager of the team, whispers the following, "Don't tell a soul but we have really got the makings of a boxing team. This guy Schwarz is

### GATERETTE ..... GOSSIP

By Babette Lau

Plans for the annual High School Playday on Saturday, November 13, are coming right along. We're going to make this one the best in history. It might seem to be a pretty broad statement, but we know we can do it 'cause every body is co-operating. Whenever you need help in anything, all you have to do is ask the W.A.A. girls and they're right behind you—as a matter of fact they're way ahead of you. We're inviting one mammy and four pickaninnies from about sixty high schools around the bay area to attend our "Dixie Land" playday ... Hey, all you kids who are helping us, don't forget the meeting Tuesday, October 26, in Annex 8, at twelve o'clock. The P. E. faculty and W.A.A. board will be there, too. Don't forget to look at the bulletin board in the gym for all the latest news concerning the play day ... A thot on the side—We have often wondered why the boys have never attempted a playday. It's really just about the best training in administration one can get.

It's this Friday kids, that ole Hal-loween Party. Don't miss it. Every body is going to be there. Come early so you can enjoy every thing. It starts at seven. We promise to give you the biggest scare and the biggest laugh of a life time. Wear your old clothes and rubber soled shoes.

Don't forget softball this noon on the upper field. Sorry we didn't have it last week, but there was some misunderstanding as to who was scheduled for the use of the upper field. But every thing has been smoothed out now; so let's start practicing for that faculty game ... Judging from the girls we've seen play, we think the faculty ought to start practicing, too. Have you ever seen Bobbe Sandeen throw one of her speed balls? Take it from us, and never try to catch one without a glove.

a killer and we've got some plenty sweet lightweights. When we have finished the process of elimination we'll be ready to parade our gang before the student body."

According to Yeager the first appearance of the Gater sluggers is to be Monday, November 15, when they tangle in the Block "S" Boxing Show.

Herb Pederson, pass-mad apostle of the aerial attack, heaved a hearty toss from his own twenty-yard line and Keinhof, after ambidextrous gyrations, managed to snag the pig-skin and put State in scoring position on the Santa Rosan twenty-five yard line. That the Gaters managed to funk their chance for a tally after four cracks at the J. C. line will come as a matter of no special surprise to even the most fanatical Purple and Gold rooter.

Perhaps the cold of the Northern gridiron stymied the attack of the Gater eleven. Perhaps the adolescent strength of the Jaysee outfit proved too much for the superannuated local aggregation. Be that as it may, however, the fact remains that a very listless game was played last Friday night and the much - alibied - for Gater eleven should be known as the Golden Ebb-Tide.

Bill Harkness, Bob Keinhof and Al Gomez played their best ball for the Gaters. Herb Pederson, Battaglia and Walt Kinney showed up for the Santa Rosa aggregation. The game was further distinguished by the appearance on the field of a disreputable canine of dubious parentage who presented a remarkable resemblance to the much vaunted O'Shea.

Outstanding, also, was the rooting section of the San Francisco State College. This accumulation of local exhibitionists exceeded that of any game thus far. Only dimly aware that a football game was in progress in the immediate vicinity, these exponents of State "spirit" befouled the air with their hideous gibberish by, what they fondly believed to be, "backing-up-the-team-with-the-old-pep-talk."

Further journalistic recognition of a second-rate team coupled with an insipid rooting section being, as it were, a form of flattery. We feel it best to curtail an extension of reporting on the aforementioned details and leave the future of both groups to those more easily carried away by the basic emotions. Incidentally, should anyone be carried away far enough by morbid curiosity as to read the finish of this epic, that person may be interested in knowing the final score which was nothing to nothing. Incidentally, again, this is only poetic justice insofar as nothing met nothing on the Bailey field greensward.

## Photography Experts To Speak To Camera Addicts Next Month

Norman G. Siller, photography expert from Hirsch and Kaye, has been scheduled as the first speaker of the semester by the San Francisco State College Camera Club. Siller will appear before the November 17 meeting.

The club held a reorganization meeting last Wednesday at which Robert Aker was elected president, Doug MacMullen, vice president, and Vic F. Urban, Jr., secretary-treasurer. Dr. Stanley W. Morse will sponsor the club.

An extensive program of slide-illustrated speeches on various phases of photography, talks on developing, printing, and enlarging, and discussions of various types of cameras is being planned.

A photo contest, open to all registered students in S. F. State will be held probably near the end of the semester. Valuable prizes will be awarded.

Numerous field trips will be held under the guidance of experts to give club members a wider range in photographing.

In the near future Dr. Engel Sluiter and Dr. Theodore Treutlein, Leica users, will tell of their experiences in photographing historical documents and subjects in foreign countries.

## I. R. C. Conference At Mills College

The Conference of International Relations Clubs from Universities and colleges in Northern California and Nevada will be held October 29 and 30 at Mills College, by invitation of that college and cooperation with Carnegie Endowment for International Peace. Mr. Dean Rusk, of Mills College, faculty adviser of the hostess club, is in charge of the arrangements.

Among the principal speakers will be Major C. Douglas Booth, of Canada, publicist and lecturer, and Miss Amy Heminway Jones, Division Assistant of the Carnegie Endowment. Miss Jones is in charge of the International Relations Club work and will take part in the program as the Endowment's representative.

A Carnegie speaker will present the subject of "Far Eastern Affairs" at the luncheon. Major Booth will speak at the banquet that evening on "The British Commonwealth Foreign Policy".

## Pre-Nursing Club Holds Election of Officers

Election of officers climaxed the second meeting of Pre-Nursing Club, held in Room 118 on October 21. Ruth Kearns was elected president, Jean Norton, Vice president, Frances Griffith, secretary, Geraldine Last, treasurer, Marie Pappas, A.W.S. representative and Ruth Chapman, social committee chairman.

Other business of the meeting was the final adoption of the Constitution.

Next meeting of the club will be held on November 4, at 11:30 in the activities room. All members are requested to attend, as important business will be transacted.

## Symposium Group On Current Affairs Organized At State

In response to a demand from students and members of the faculty, a symposium on current international affairs has been organized under the leadership of Mrs. Olive Cowell, associate professor of social science here. The symposium group meets every Monday afternoon, from four to five o'clock, in room 208, College Hall. Any student or member of the faculty is welcome to attend.

The group has met twice already and those who attended have expressed appreciation of the value of holding the symposium especially at a time as this when the world is undergoing a period of great turbulence. The average student, they say, is only vaguely conscious that right at this moment the most fundamental issues confronting humanity are being contested to the extent that mass murder, mass destruction of property and of cultures that have taken thousands of years to build are going on under our very noses.

## Westminster Changes Regular Meeting Date

Changing the date of their regular meetings from second and fourth Wednesdays of the month, to first and third, was the main business of Westminster Club at their meeting held October 20 in Westminster Church. Possibility of a guest speaker for their next meeting was also discussed and efforts are being made to obtain Dr. Creighton of the First Presbyterian Church.

Westminster Choir rehearses regularly every Monday noon in annex A12 under the leadership of Miss Ernestine Prather. The group will give a special Thanksgiving program for the club and is also planning a surprise for the members for Christmas.

## Kappa Delta Pi Fetes U. C. Education Dean

Kappa Delta Pi will act as host to Dean Kemp, Dean of the School of Education, at the University of California, when he speaks on Wednesday, October 27, at 3 p.m. in the F. B. Auditorium. Dean Kemp recently returned from an extensive tour of Europe and will include in his address, many noted effects of recent political thought on education in Europe.

Kappa Delta Pi extends an invitation to all the faculty to be present at this lecture and especially, to be at a reception which is to be given in his honor after the talk.

## I. R. Club Meets Tues. In Room 118

"China and Japan" will be the topic of discussion at the regular meeting of the International Relations Club tomorrow noon in Room 118. Mr. Diosdado Olam will lead the discussion.

Several new books have been received from the Carnegie Endowment for the I. R. C. They are "An Atlas of Empire" by J. F. Horrabin, "Peaceful Change" by Frederick S. Dunn, "The Empire in the World" by Sir Arthur Willert, "Raw Materials in Peace and War" by Eugene Staley, and "The Third Reich" by Henri Lichtenberger.

## Dr. Homan Speaks For Alpha Mu Gamma Today

Members and friends of Alpha Mu Gamma will meet today at 12:10 in the activities room to hear Dr. Homan, of the psychology department, give a short talk. Following the speech a business meeting will be held to discuss plans for the remainder of the semester.

President Frank Carothers especially invites members of the French and Spanish classes to attend.

## Communion For Newmans

Members of Newman Club will hold communion in St. Mary's Cathedral Sunday, October 24 at 9:30. Following the service a communion breakfast will be held at the Whitcomb Hotel. The price of the breakfast will be 65c. President Steve Ebert invites all Catholic students to attend.

## Mrs. Dorris Speaks!

An illustrated lecture on her travels in Japan will be given by Anna Verona Dorris, assistant professor of geography, to the Open Road Club in room 209 next Wednesday noon.

Several reels of colored film will be shown. They were taken on the little known Island of Hokkaido, and show the Ainu, Caucasian Aborigines of Japan, in their native villages at Shiraoi. Technicolor celluloids will also show picturesque villages in the heart of the Japanese Alps, Nara Park, Japanese homes and gardens, a naval base, and many scenes of rural life.

All students are invited to attend.

## LID LIFTER

Dear Editor:

It was with peculiar feelings that I read, in last week's issue of the Golden Gater, of the action taken by the Executive Board with reference to the wearing of other schools' blocks on our campus.

For some time I have been rather in doubt as to whom was responsible for handling such matters. I supposed, naturally, that the Block "S" Society did this, but has not, to my knowledge.

The Board finally decided to make each of its members a committee of one to enforce this rule. In the first place, there aren't enough members to accomplish this, and there is also some doubt that a Board member's word would carry much weight with offenders. There are some of the female species on the Board; can you imagine one of them going up to some cocky individual (he wouldn't be wearing another school's block here if he weren't) and telling him to wear it elsewhere? It would be a laugh!

If it were announced once, publicly, that other schools' insignias were taboo, and that the Block "S" Society would take prompt and VIGOROUS action against offenders, believe you me there wouldn't be any hesitation on the part of those concerned! To make myself entirely clear, I hereby wish to go on record as moving that the sole authority and responsibility for enforcing a rule of this sort be vested in the Block "S".

Yours for an improved situation,  
DOUG CRARY

## Banker Spiels! Pencil Nemesis!

By D. LETE

Fifty "economists" in Dr. Roy Cave's (advanced) Econ. 1A group were shocked, startled, and abruptly brought to an erect position last Friday when a long-ballyhooed guest speaker walked into the room and happily announced that he was giving a test! He thereupon distributed a mimeographed sheet of a half-score of questions and, announcing a ten minute time limit, stepped back and gave the assemblage a typical banker's glare.

The guest was Mr. Harry Smith, assistant vice-president of the Bank of America.

The test was one which the Bank's speakers use as a preliminary interest rouser for luncheon club meetings of tired and hungry business men. It contained nine "best choice" questions concerning ownership, policies, services, money and securities, safety, income of, and loans by banks.

Adding to the fun of the occasion, Smith explained that "If all the questions are answered wrong, you are an average man."

Dr. Cave, sitting with the class, was unable to fill in the correct answers.\*

\*He didn't have a pencil.

## Second Meeting of A.M.S. For Thursday

With many different types of acts and skits featuring their smoker, Associated Men Students will hold their second gigantic rally and meeting of the present semester, Thursday, in Annex B. Food will be served to all those who attend.

Despite the fact that the last smoker was generally acknowledged as a success, Daryl Hopkins, president of the organization, hopes to have a still larger turnout than before. Notices will be published today and will probably be put in the boxes of all men students.

"I want each and every one of you men students to attend this rally. It is for your benefit and will do a great deal towards making State a bigger and better college. There will be plenty of food and good entertainment making it well worth your while to come," said Hopkins in a general statement.

## Sigma Rho Entertains

New members of Sigma Rho Gamma were entertained at a formal tea held Saturday afternoon at the home of Miss Cecilia Andersen. Other guests at the affair included out-of-town club sponsors from all parts of the state. The new girls honored were Violet Chase, Corinne Paw, Corienne Makintosh, Ardis Bronson, Doris Thompson, Edith Stevens, and Edith Eldridge. President Lillian Johnson was co-hostess with Miss Andersen, the club sponsor at State.

## U. S. C. Prexy Here

Gardy Pollich, president of the Associated Students of University of Southern California, inspected the Stater campus under the guidance of Bill (JJ) Smith last Friday and bestowed upon it his official seal of approval.

The visit was occasioned by his friendship with President Smith, whom he met last Spring at the convention of the Pacific Student Presidents Association.

## Franciscan Editors Ask For Club Entries

With one week remaining, Franciscan editors were urging club presidents to submit their entries to the student personality contest of the Annual. "We had hoped for a greater response, although there is much interest being evidenced," said Sibyl Hurning, associate editor of the Franciscan. "We want to make this a special section of the book and dedicate it to those people who have never been given due credit for their work in the various organizations on the campus. That is why we are asking all clubs to cooperate."

Club presidents should submit the names of the candidates with a complete list of their activities since their entrance to college. The lists should be in the hands of the Franciscan editors before Tuesday, November 2. They can be submitted through the Franciscan Office on through Box 837.

## Spooks For French Club

Hallowe'en will be celebrated by members of the French Club on Friday, October 27, at 8:30 at the home of Margaret Capps. The party will be on the old-fashioned theme, with ducking for apples and fortune telling being a greater part of the evening's entertainment. Refreshments will be served. President Art Cerf invites all members to attend and bring a guest. There is no charge for the affair.

## S.I.P.R. Plans Convene

Plans for the forthcoming convention of the Student Institute of Pacific Relations will be completed at the next meeting of the Executive Council of the group to be held on October 31, at Mills College.

Lokoya County Lodge, Napa County will be the scene for this convention, that is to be held during the Thanksgiving holidays.

Phyllis Ferrari, student chairman of the S. I. P. R., announces that anyone interested in attending this meeting can contact her through Post Box 571, she will furnish further information.

## HI AND LOW NOTES

(Continued from page 2)

Classification of Music Majors:  
Freshman: he that knows not and knows not that he knows not;  
Sophomore: he that knows not and knows that he knows not;  
Junior: he that knows and knows not that he knows;  
Senior: he that knows and knows that he knows.

## STATE DEBATE

following debates have been scheduled: Nov. 2, S. F. J. C. at Galileo High School, 2:30, J. Wallace Gallagher, —; Nov. 2, U. S. F., here, 8:00 p.m., Shirley Senk-Muriel Senk; Nov. 9, U. C., there, 8:00, Bob Links-Louis Abate; and Nov. 9, U. C., here, 8:00, Jeannette Jennings-Bill Rose.

The following are a few of the Southern debates scheduled (all are to be held on the opponents home grounds): Nov. 22, Fresno State; Nov. 23, U. C. L. A.; Nov. 23, Pasadena J. C.; and Nov. 24, Modesto J. C.

The following debates are on the schedule although no dates are set: St. Mary's, there; Santa Clara, here; Stanford, there.

## Block 'S' Gives Dance

Block "S" will sponsor the next noon dance, October 27. Lee Scarlett's band will provide music.

Mike Driscoll, president of Block "S" announces that, "noon dances have been very successful." He adds that, "the various clubs and classes have created a fine competitive spirit."

Arrangements are being made with the Music Federation's eighteen piece orchestra to play for the Annual Christmas Jinks, a two hour noon dance sponsored by the Block "S".

"The Music Federation has presented the strongest competition for the noon dance award so far," stated Driscoll.

## Soph Strut Success

Annual Sophomore Strut held last Saturday night at the Devonshire Country Club was acclaimed highly successful by all who attended.

"Everyone attending the Strut, I feel, enjoyed themselves," stated Morley Carrothers, high sophomore president. "I wish to thank the sponsors Mrs. Ruth Witt-Diamant, Mr. and Mrs. Cassidy and the student committee for their wholehearted cooperation in making the dance a success," concluded Carrothers.

## Dorris Shows Pictures

Mrs. Dorris, instructor in the social science department of San Francisco State, traveled in China last summer, and took pictures of the Yangtze River, the Nanking Valley and the old walled city of Soochow. She is showing these pictures to members of the faculty who may be interested, in the Projection Room, 209 College Hall, today during the noon hour.

The college has acquired a new projection machine and a new screen which is used regularly in classes and for events of this type.
